4 Bedrooms . 2.5 Bathrooms . 2,707 Sqft

Lovely 3 or 4 bedroom, 2.5 bath home with expansion possibilities in the Ridges section of Black Creek Mountain. This home exudes curb appeal with its covered front porch and beautiful landscaping and immediately evokes thoughts of Charleston but with scenic views of our local mountains. You will love the hardwoods and crown moldings, tall ceilings, granite and quartz surfaces, decorative lighting, spacious rooms, master on the main and 2 bay garage. The main level has a dedicated foyer that opens to a formal dining room or the kitchen area. The kitchen has a large center island, quartz countertops and tile backsplash, stainless appliances, pantry and opens to the dining room and the great room. The great room has plantation shutters with French doors to the rear screened in porch, grilling deck and back yard. It also has access to the rear hallway that leads to the master suite, mudroom, powder room, laundry room and garage. The master suite also has access to the screened in porch and the master bath with separate granite vanities, private water closet, garden tub and shower with tile and glass surround. The master walk-in closet was upgraded with a custom organizer system and has secondary access to the laundry room. The upper level boasts a central landing that is perfect as a study or...
