\$ 395,000

3 Bedrooms . 2 Bathrooms . 2,201 Sqft

Absolutely stunning property with views of Pigeon and Lookout mountains. The house is a one level 3 bed, 2 bath that was site built 3 years ago. It has a open family room, large eat in kitchen and formal dining room. Tray ceilings in family room and in dining room. Granite countertops in kitchen and bathrooms. Hardwood floors throughout. Large 8ft. wrap around porch that surrounds 3 sides of the house. 2 car garage with covered breezeway. Large RV cover with 30-amp service. Huge new barn that is 30 x 60 w/12ft extension. 4 stalls 12 x 12 plus tack room. Barn is equipped with power and water. There is also a 12 x 30 pasture shelter and a 12 x 24 outbuilding w/ power. Complete property is fully fenced & cross fenced. Perimeter fence around property has single wire hot wire w/solar charger. There is a large propane tank that stays with property, owned, not leased. The horses will love the huge pecan tree in the upper pasture for shade. This is an amazing piece of property that must be seen in person. Schedule your private showing today!
