Location! Location! Location! Whether you are looking for a central spot for weekend retreats, an investment property or a place to call home, then you need to come see this one bedroom Market Street Loft located in the old Southern Railway building on Market St. The 1900's building has been refurbished and now features secured entry through the lobby, elevator, rooftop deck, a fenced dog run and a designated parking spot in the gated and fenced parking lot across Market. The unit has stained concrete floors, high ceilings, exposed brick, painted duct work and an open floor plan with wonderful natural lighting. The kitchen is open to the living room and has beautiful countertops with tile backsplash, a center island with pendant lighting and stainless steel appliances. The hall bath has a furniture style vanity, a large walk-in shower with tile surround and barn style glass doors, as well as a private water closet. There is also a bedroom off the living room with a walk-in closet with shelving, a laundry closet in the foyer with barn style doors, and an additional closet just inside the front door also with built-in shelving. Head up to the rooftop deck to enjoy the views, catch the shuttle which stops just outside the building or simply walk or bike to a variety of restaurants and shops offered throughout the burgeoning Southside area -...
