Open House August 9th from 2-4pm! Beautiful home super convenient to everything on Highway 153. This is a highly sought after ranch with unfinished basement and 2 car garage. The garage door is 8 feet tall for larger vehicle. Tons of space in the garage and basement. Even though the property is 20 years old it looks much newer. There was a fire in 2017. There's lots of brand new things as a result. Almost everything on the main level was replaced and is only 3 years old now. Also,, the water heater, heat, and air, outdoor flood lights and vinyl siding were also replaced. The owner believes the roof was replaced also. It looks really good
