Welcome home to new construction in Barnsley Park subdivision. This upscale home will offer so many amenities and the builder spends much attention to detail. The home has a two car garage on the main level and this home is located on a corner lot. As you enter the home you are welcomed by the open floor plan with a nice family complete with fireplace, a spacious dining room with coffered ceiling, and a very upscale kitchen. The main level also has a nice laundry room that is located as you enter the home from the garage. You can also access the laundry room from the master closet. The kitchen will have custom cabinetry, a decorative vent a hood, granite counters, upscale stainless steel appliances an island and a pantry. There is also a powder room on the main level toward the front of the home. The master suite is located at the rear of the home and is off the kitchen. The master bath is designed with a large tiled shower, a free standing tub, double vanities, and a separate toilet room and the master closet is very spacious and will be completed with a built in closet system. The second level of the home has three bedrooms, two bathrooms and a 10' x 17'6" loft area that could be used as a study, office, etc. All floors on the main level of the home will be hardwood except the laundry room and the master bath which will be...
