3 Bedrooms . 2 Bathrooms . 1,609 Sqft

This 3 bedroom, 2 bathroom Cottage style home has many new updates, including an asphalt shingle roof, not even a month old! HVAC, Water Heater, Basement Dehumidifier and S Pump, and portions of the gutter system all replaced within the past 6 years. Hardwood floors, covered by newer carpet in bedrooms. The screened back porch and a level yard, and a great central location!
