4 Bedrooms . 3.5 Bathrooms . 3,481 Sqft

You will love the **SPLENDED VIEWS** of the mountains and valley in this unique home! This 4 bedroom, 3.5 bath home is situated on 5 acres on the brow and was built with the view in mind with lots of large windows to enjoy the view from almost every room. Step inside to soaring ceilings and hardwood wood floors throughout and a great open floor plan. The 2 story great room features a cozy fireplace, wall of windows and skylights and is open to the kitchen which is perfect for entertaining. The kitchen has plenty of cabinet and counter space. The dining room has a 2nd fireplace and is just off the kitchen. There is a unique office area that is also open to the great room. The owners suite is on the main level with floor to ceiling windows to enjoy the view and a large walk-in closet. The spa-like owners suite bath features separate vanities, jetted tub and tiled shower. There is an additional bedroom, full bath, laundry room and half bath on the main level. Step upstairs to the loft area that is perfect for a pool table or could be play area, 2 additional bedrooms with one having access to private deck, full bath and exercise room. This home has the **BEST** outdoor living space with wrap around deck, screened-in porch, in-ground pool and patio area all with panoramic views of the valley. This home has been meticulously...
