Custom, Arts & Crafts style home on Lookout Mountain, GA's western brow with gorgeous sunset and valley views. Located in the Brow Wood community, this lovely, 3 bedroom, 2.5 bath home boasts quality construction and finishes with attention to detail that buyers will truly appreciate. The covered front porch overlooks this quiet one-street neighborhood that offers a private pond with fountain and gazebo, as well as an open pavilion with fireplace and built-in grill that also has fantastic brow views – a great spot to gather and relax. As you enter the home, you will immediately note the lofty ceilings, beautiful moldings and wonderful natural lighting. To the right of the foyer, you will find a formal dining room which adjoins the kitchen and breakfast nook. The kitchen has granite countertops and tile backsplash, Cherry cabinetry, stainless appliances and farm sink, a pantry, and custom built breakfast table. A large doorway with transom leads to the comfortable great room. The great room has a beamed ceiling and gas fireplace and opens to the light filled sunroom with peaceful and panoramic views. French doors lead to the patio area and back yard. The master suite is also on the main floor and enjoys the scenic views and has a nice walk-in closet and master bath with dual granite vanity and large shower with tile...
