Tradition reinforces the substance of life and nothing is greater evidence of that than this custom drawn and built for all the ages classic home that along with its grounds have been nurtured throughout time and transcending it. This character worthy full brick traditional is neutrally decorated with shades of a mid-century freshness and urban savvy accents that invite a casual lifestyle beyond its sweeping curved entry staircase. With four bedrooms and a daylight, walk-out finished lower level, it will meet the needs of families of all ages and dynamics to include multi-generational families. All bedrooms are proportionately spacious that each would easily accommodate king size beds with one on the lower level. Screened porch off family room and kitchen provides great flow for living and entertaining inside out! Two car garage on main level is oversized with convenient entry into the house at kitchen and oversized laundry room with window and filled with natural light as entire home. Master bedroom is expansive with huge walk-in closet. Live your Best, most convenient life in the county (lower property taxes) at Stonehenge where you are quickly accessible to all of Chattanooga quickly to include the Chattanooga Airport, Hamilton Place Mall, hospitals and Downtown Chattanooga.
