Brand New home in the established Cambridge Estates neighborhood. This 4 bedroom, 3 bath home has been rebuilt from the foundation up and is only minutes to all of the shops and restaurants of Hamilton Place and I-75. The first thing you will notice is the great curb appeal. Step inside to high ceilings and fresh neutral paint throughout. The living room is open to the dining area and kitchen which is perfect for family living and entertaining. The kitchen features granite counter tops, island/breakfast bar and plenty of cabinet space. There are 3 bedrooms and a full bath that completes the main level. Step upstairs to the large owners suite with sitting area or office/study and large walk-in closer. The spa-like owners suite bath has a tiled shower and garden tub. The finished basement has a large den/family room and full bath. The 2 car garage has plenty of storage space. There is room for everyone and everything.
