WOW!! This home has all the bells and whistles that you could ever want!! Located on a corner lot, this brand-new construction home has so many features and upgrades you will love. When you walk inside you are immediately greeted with a two-story foyer with a formal dining room to the left. Beyond the foyer is a very spacious living room with high ceilings, a floor to ceiling stone gas log fireplace, and it opens up to the kitchen. The open floor plan design makes entertaining a breeze, especially with this upgraded kitchen! The kitchen boasts high-end, stainless-steel appliances, granite countertops, two dishwashers, two sinks, a wine fridge, a substantial amount of counter space, and a large island with a breakfast bar! The main-level master suite is truly an oasis with beautiful board and batten walls, a statement piece light fixture, and an en-suite with a soaking tub, tile shower, and walk-in closet with custom shelving. On the other side of the home is a second main-level bedroom, a full bath with tile surround tub, and a laundry room with granite counter tops, utility sink and a Bosh washer and dryer! At the top of the hardwood staircase is a spacious loft that makes for a perfect office space or bonus space. There is one bedroom with an en-suite and two additional oversized bedrooms, as well as a second full...
