New Construction estimated to be complete in July! Come see our refined and well appointed Candlebrook floor plan! This home features beautiful clad windows on a modern farmhouse style exterior, private back yard that backs up to woods, and a spacious wooden deck. Inside, you will find an open concept living space with a formal dining area, oversized utility area, walk-in pantry, and the owner's suite on the main level. The kitchen and bathrooms feature tile and quartz tops, and the owner's walk in shower is impeccably set up with frameless glass and undulated tile. This plan also features a freestanding tub for those days when you just need to wash the day away! Upstairs you will find a huge bonus room with another full bath situated between the generously sized guest bedrooms. Owner/Agent
