**5 Bedrooms . 4 Bathrooms . 4,162 Sqft**

You know that special feeling when you walk through the front door and feel "welcome home" well you can experience that every day ! Just minutes to downtown Chattanooga . Over 4000 sq feet of grand living on three levels. Open floor plan where most of the rooms are designed to be able to see the amazing views and beautiful sunrises. The gourmet kitchen has been recently updated with a new back splash and has commercial grade appliances, the large family and dining room flow easily onto a spacious deck beyond and please cast your eyes towards the beautiful and gorgeous views ... This home can easily be the perfect spot for entertaining family and friends . The master suite on the main level has it's own private screened in porch, walk - in closet , hardwood floors. There are a total of bedrooms/4.5 bathrooms. Other features include hardwood floors, three fireplaces, bonus/den with bed and bathroom on the lower level plus a very large storage room, lush landscaping front and back with a soothing waterfall feature running through the boulders. You will appreciate the neutral colors running throughout the home. The paved driveway has ample turn around space and the two car garage is attached by a covered breezeway. All of this adds up to a very charming home on the brow and in move in...
