Welcome home to 6219 Deep Canyon Road! Upon entry, you will notice the grand, open floor plan, arched doorways, detailed trim and elaborate custom ceilings, beautiful hardwood flooring throughout the main level, impressive stone fireplace in the living room, stainless steel upgraded appliances, and granite countertops in the kitchen, complete with a beautiful backsplash. You'll enjoy the master suite on the main level, & convenient mudroom/laundry room off the garage. Upstairs, you'll find 2 additional bedrooms, 2 full baths, and a large, bright bonus/playroom (which can be serve as bedroom #4) with a cozy loft above the dining room. All bathrooms feature granite counters and tile, and there are custom wood blinds throughout. Four sides brick; combined with stone and Hardie siding
