Built in 2017 in the desirable and centrally located Black Creek Mountain golf course community, this 4 bedroom, 2.5 bath craftsman style home sits on a corner lot and exudes curb appeal and charm - from the covered front porch and white picket fence on the outside to the gorgeous hardwoods and trim, lovely counter tops and decorative lighting on the inside. Additional features include an open floor plan, master on the main, great walk-in closets, fenced side yard, covered patio and double garage. Your tour begins with a spacious living or great room with a built-in desk under the stairs, a gas fireplace and enlarged opening to the kitchen and dining area. The kitchen has quartz counter tops, stainless appliances, including a gas range, under-cabinet lighting, subway tile back splash, a nice pantry and access to the laundry room on one side and the hall to the mud room with built-ins, the powder room and master suite on the other. The master bedroom is a soothing space with a tray ceiling, while the master bath boasts separate vanities, a garden soaking tub, separate shower with tile and glass surround, private water closet and a walk-in closet with organizer system. The upper level has 2 bedrooms adjoined by a shared bath with dual granite vanity, and double doors lead to a 4th bedroom with a nice walk-in...
